

**Corpus Christi Catholic Primary School**  
**Spiritual, Moral, Social and Cultural (SMSC) Development**  
**British Values**

Below are some of the ways we have helped children to understand British Values and SMSC.

		BV	S	M	So	C
	<p>In February 2021, Sam's Virtual Safari visited our school. We learnt about how to care for God's Creation.</p>					
	<p>Years 5 and 6 visited Parliament and took a virtual tour learning about how Parliament promotes British Values.</p>					
	<p>Children took part in World Book Day 2021, celebrating our love of reading</p>					

	<p>NSPCC “PANTS ASSEMBLY” helped KS1 children learn to show respect for each other and ways to keep themselves safe.</p>					
	<p>Remembrance Day was celebrated in November with all classes thinking about how we can work together for peace and harmony.</p>					
	<p>During Advent 2020, families donated a gift for an elderly resident in a care home. Children delivered the gifts to 2 care homes.</p>					

During the week leading up to Chinese New year, Early years children's learning in school and at home explored Chinese Traditions and celebrations through all areas of the curriculum. Children wrote retold stories, made Lanterns, Dragon puppets, wrote Chinese script and tried Chinese food.

In October, Children in Early years explored Judaism. They explored some traditions through different artefacts and also learnt about the 'Day in the Life' of a Jewish child.

In January, Early years children learnt about the Queen. They explored the British currency, the royal family and the crown jewels.

**BRITISH ASIAN TRUST**  
**OXYGEN FOR INDIA**  
**EMERGENCY APPEAL**

**£25**

could provide a family with a **COVID Care Box** to treat mild forms of COVID-19 from home, provide essential supplies, and prevent hospitals from being overwhelmed.

**£100**

could provide **66 families** with free access to **telecare** in which they will receive a diagnosis, be sent treatment or referred to a hospital if required.

**£250**

could provide **10 families** of 5 people each with essential food rations to help them survive for a **month**.

**£500**

could help contribute toward a **PSA oxygen plant** that will permanently provide a hospital with a sustainable oxygen supply.

In May 2021, children raised about £300 to help the people of India tackle the COVID crisis. We also learnt about India.

Cultural Diversity Celebration. Our school is made up of many cultures. We celebrated our diversity by coming to school dressed in something that represents our heritage and background. Children shared stories from and information about their cultural backgrounds.
