CORPUS CHRISTI CATHOLIC PRIMARY SCHOOL

WEEKLY UPDATE 13.11.26

Dear Families,

The month of November is one of remembrance and prayers for those who have passed in the Catholic church. This has been especially present this week in school as we marked Remembrance Day. The whole school took part in 2 minutes of silence and St Bernadette class led KS2 and our families in prayer on Wednesday afternoon. It was a pleasure to welcome so many of our families to the 'Stay and Pray' session to reflect and create with their children. The result of this is our beautiful prayer wall (which can be visited in our church). We look forward to our next session to prepare for advent - more details will follow soon!

As the weather continues to get colder (and wetter!), please can parents ensure that children come to school with a suitable coat. We have had days recently where children have arrived into school wet and cold - making it difficult for them to be ready to learn! We will also always try to get children to play outside wherever safe to do so - so being prepared for the weather is essential! Thank you.

FAMILY GOSPEL REFLECTION

Matthew 25:14-30

Jesus reminds us that God has given every person special gifts and talents. These gifts are not the same for everyone, and that is okay. God does not ask us to compare ourselves with others. Instead, God asks us to use the talents we have been given to help others and make the world a better place. Our talents may be big or small. We might be good at learning, creating, listening, encouraging others, showing kindness or helping at home. When we use our gifts with love and generosity, we share God's goodness with the people around us.

As families, we can ask ourselves: What talent has God given me? How have I shared this lately?

SCHOOL GOVERNORS WANTED

What Does It Mean to Be a Governor in a Catholic School?

Governors play an important role in guiding and supporting the school, while the headteacher and leadership team manage its day-to-day operation. Their key responsibilities include ensuring a clear Catholic vision and ethos, holding leaders accountable for educational standards and the school's Catholic character, and overseeing finances.

If you think you have the skills and enthusiasm to join our friendly team and want to know more about the role, please speak to Mrs Comerford.

Pope Leo's Prayer Intention for November:

For the proper use of wealth

Let us pray for the proper use of wealth, that not succumbing to the temptation of selfishness, it may always be put at the service the common good and solidarity of those who have less.
